BURBANK HIGH SCHOOL
Burbank, California
Ceralbus
1982

Dr. Helen Price is a graduate of Hoover High. She received her B.A. from Cal State L.A. and M.A. from UCLA. In 1974, she was awarded her Ed.D from University of Southern California.

Mrs. Price has served as an Elementary Supervisor & Acting Director of nursery school programs in Burbank. She taught in the Newhall School District for 5 years. In 1954, she returned to Burbank School and was appointed A.P. of Luther Burbank JHS from 1956 to 1967. Dr. Price came to Burbank SHS in 1968 as Assistant Principal.

Dr. Price is an amazing woman, far more interested in others than in herself. Her job as Assistant Principal means getting to know people; her sympathetic nature & understanding personality is ideal for her position. The Ceralbus Staff 1981-82 wants to thank her for the efforts she has made in the past 13 years in making BHS the best ever.

New talents have come and gone in both the movie industry and at Burbank High. The Ceralbus staff 82 gives special recognition to these performers for their skill & dedication. Burbank High "talents" in the arts, sports and activities. We hope you enjoy the "1982 Ceralbus" picture show...

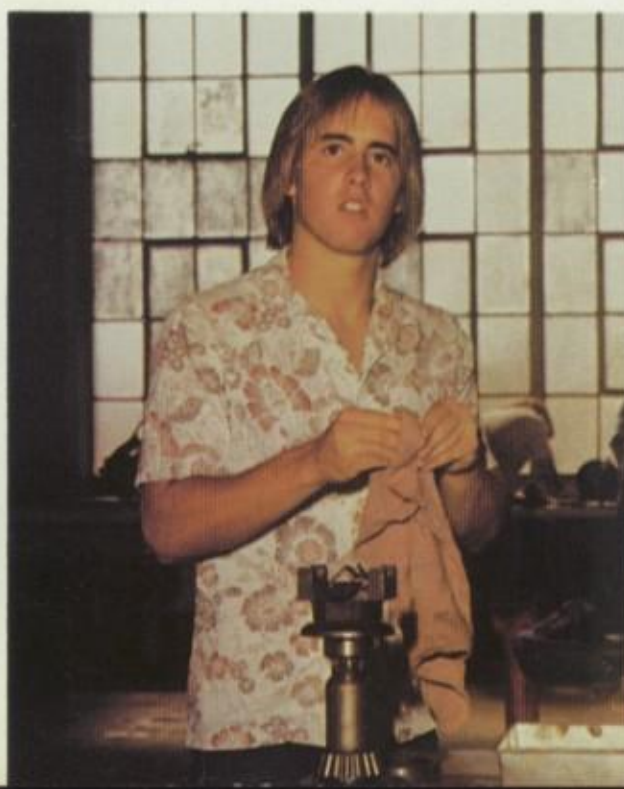

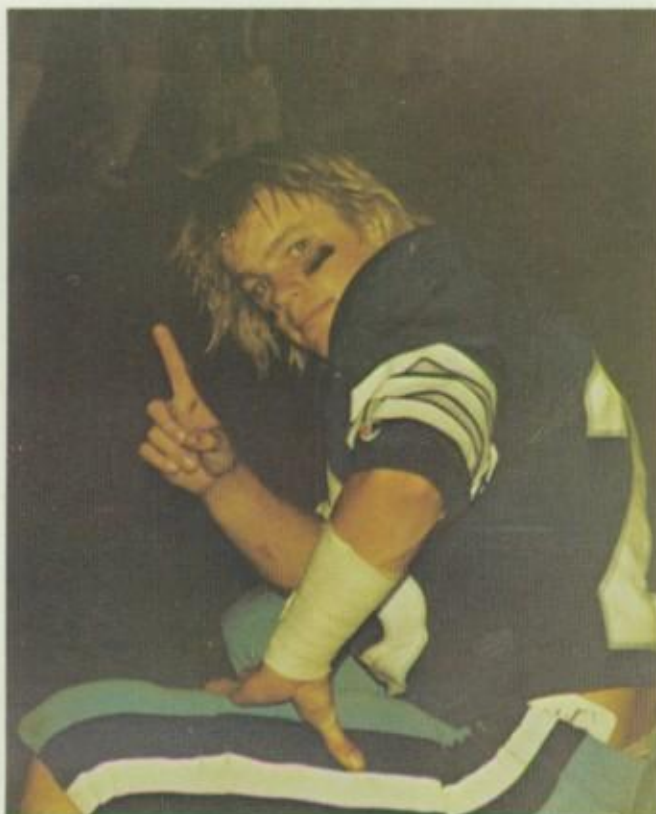

The 1982 school year at B.H.S. will be remembered not only for its outstanding educational advancements, like the improvement in SAT scores as compared to last year's mishaps; but it is also the first time in the history of all the city playoffs that B.H.S. actually forgot its town rival J.B.H.S., which indeed proves that B.H.S. does have burning desire to win.

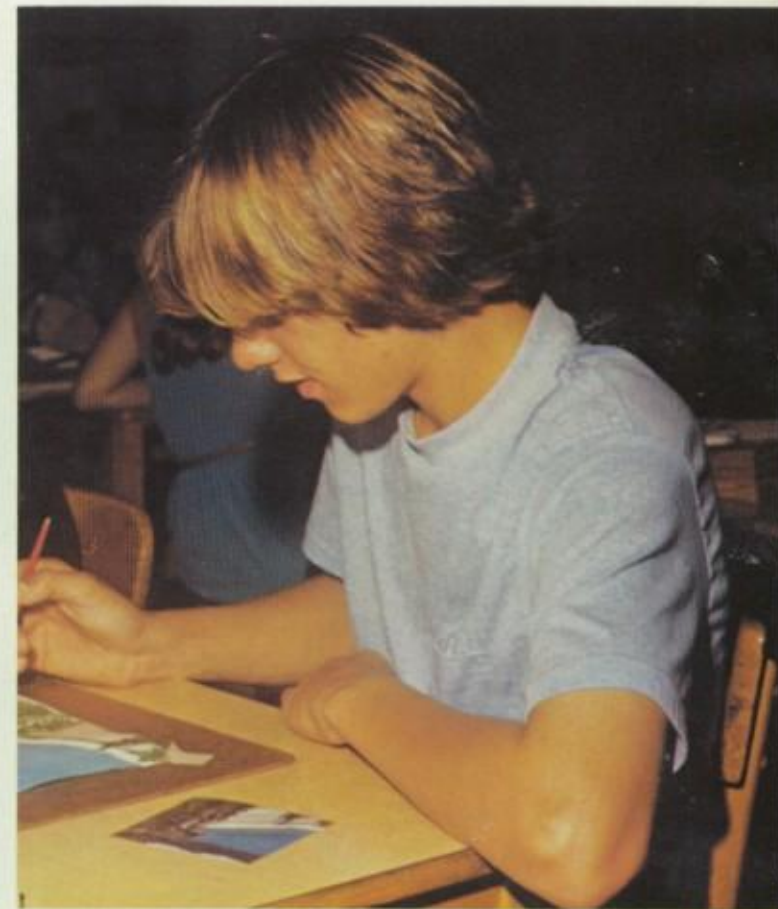

The students have shown high school spirit as well as pride for their campus. Blue and white clothed students flocked the galls during Burbank's annual beat Burroughs (spirit) week. Hall decorating, and an Indian hunt were also categories in which the three classes competed. Aside from being recognized as the class with the most spirit, the seniors received \$50 towards their prom. The sophomores came in second with the juniors following in third. The overwhelming turn-out of spirit week just goes to show that B.H.S. is better than ever.

hea,

It's been fun having you in Safety/Health.
Thank for changing some of my answers on
the tests. I hope we can become better friends.
I'm glad I met you because you're really
nice. I know I'll see ya around this
summer. Maybe Ava will have another party
or something. I hope I'll get at least one
class with you next year. Good luck in 11th
& have a great summer. See ya on the
streets. (Driving around) good luck. Try
not to run me off the road (just kidding).
I have to drive a stick (yuk) well until
I see ya again! Love,

It's been very interesting getting to know you this year. We weren't really that good of friends last year, but this year we became pretty good friends, which is good. Have fun, good luck this summer, I'm sure I'll see you. Take it easy (or any way you can get it!)

In a sense these ladies are the prop managers. They keep track of the films, books, projectors and any other equipment needed to help the teachers. Without these ladies, there would be no one to issue our visual and audio aids.

MOCK TRIAL

Colleen Hunt, Paul Martin, and Sherry Moffa.

The Mock Trial is a state wide competition approved by the Constitutional Rights Foundation. High schools throughout the state try a hypothetical case involving civil rights. The purpose is to get a better understanding of the law and the way it works. It also provides a glimpse into the career of law. The competition took place at the Los Angeles Superior Court. All the trials were held in a real court room in front of real judges. We lost in the finals to Pacific Palisades High.

The Mock Wedding gave students a chance to see how to budget a wedding. They actually went through the process of figuring out how much the honeymoon would cost, the church services, the reception, and other expenses. In attendance was a real priest, a best man, the maid of honor, their parents, and of course, the bride and groom.

This year has come and gone for us. It has brought us together from the first few months of Cheerleading Camp to the grand finale of BEAT BURROS WEEK!

It's been a very exciting year as J.V. Song. Our most memorable moment was the night we made up our body shop routine, a night we'll never forget.

After a year without Short Flags, they returned to give our teams the feeling of "pride" by their encouragement and support. We hope to see the Short Flags squad continue their good work.

Members taking a break to pose for a buddy shot.

The Color Guard had another successful season this year under the direction of Jill Daniel. Having only seven in their group, they had to work harder to win; and they did. It proves that it takes quality, not quantity to produce a winning Guard.

They started the season with second place in the Westminster Parade followed by a second place in the Glendale Parade, followed by yet another second place in the Granada Hills Parade. They ended their competition season by placing second in the Palmdale Field Show beating crosstown rival Burroughs, who placed fourth.

For many years the Key Club has been a big part of Burbank High. It is the Kiwanis Club's high school organization. They perform services for community groups, organizations, and even Burbank High. The print shop, in the past, has proven invaluable to the production of the Hi-Life. It was no different this year. The Hi-Life relied on the students in print shop for much of the typesetting of copy, the shooting of half-tones, and the overall printing of the Hi-Life. Through their diligence, and the unselfish devotion of Iain Rudd, Burbank High School was able to have a newspaper.

A lot of time and energy was spent trying to make the yearbook what I think is the best ever. I hope you agree. Other activities included playing at IBM Executive Salesmen's Breakfast, performing at the B.H.S. Winter Concert, playing at home and away football games, numerous rallies and playing in the "Parade Down Main Street" at Disneyland.

It seemed as though this year's varsity basketball team had the potential to attain great heights and accomplishments; but when reached for, fell just out of grasp. Injuries, as usual, played a big part in the breakdown as many key players were missed during the season. CROSS COUNTRY

Expected to be strictly a rebuilding year, Burbank surprised and embarrassed many teams. With most of the members from last year's undefeated sophomore team, the Bulldogs were stopped by only the well-established teams of Glendale and Burroughs. They still made it to CIF and are expected to be the team to beat next year.

Their record really speaks for itself; the only real competition the team came up against during the season was Glendale. In fact, the varsity became the first team in years from Burbank to get past the first round of CIF. Pretty impressive!

The "JV's" rolled over the rest of the league with few exceptions and should prove to be comparable competition for the returning varsity players.

The Varsity team provided many exciting moments throughout the season, including a tough 2-1 loss to Burroughs. In the end, the team ended the season with a record to be proud of.

With several returning, talented letter-winners, the Bulldogs were bound to have a good year. Getting through a hard pre-season 6 wins and 2 losses, they began the season by blowing out their opponents early. Indeed, they might have gone all the way except for one stumbling block, Glendale. Losing two hardfought sets to them, the team ended up in second place and were taken out of the CIF playoffs early.

Though not spectacular, this year's Varsity team was full of talent that somehow could never seem to get it together. Showing brief flashes of their potential during the defeat of #1 Blair and drubbing off crosstown rival Burroughs, the team barely missed making the CIF playoffs and had to settle for a 4th place finish.

Lea

How is everything going
with you. I hope its great!

Its too bad the only
Class we had together was
PE. and that really
didn't count. I hope

you have a stupendous
Summer & a Magnificent

11th. We'll have to have
some classes together
next year. OK? OK!

If you move you
must move into the
houses in back of

me so me you &
Lorraine can take

over the neighborhood
Don't get into too much
trouble over the

Summer. Maybe we
can go to the beach
or something.

Best of Everything

Lov-ya lots!

bye-bye

Chuck
Duggan

Your Little
Chuguito

P.S. I hope I spelled it right

See -
 This is the only place I could find to write in so I better
 write small. well anyway, we might not have talked much
 but just saying "Hi" and "bye" was good enough for me, since
 I say it to you. well stay sweet and stay out of trouble and
 don't forget me, if
 you, I'm right there.
 gets go Bye Bye

 was more fun though.
 Thanks for staying with
 friends even through the
 rough times. I have a fun summer.
 I wish we could do something
 together (like last summer). I hope
 I'll be gone so have fun, and
 good luck in 11th. I hope I call

 to see you a lot this summer & if I don't have the best
 summer ever & the best of luck in 11th grade. Bye Bye.

Well, I just don't know what to say. I feel like
me and you are not the same. And I know we're
not. I was looking through my old letters and
I got really upset because of how things
changed so much. We had so much fun together.
And I just don't know what happened. It all
fell apart. Oh Lea, this summer we must get
together. Maybe we could try it all over again.
Only if you want to. But I do. It would be
so great if we could all be like we use to. But,
don't try to fool around with the past, right?
Oh well. Listen Lea, I would just like to say
that I am real sorry about things that have
happened. I want you to know that. And I do
mean it! I hope you had a good year.
And let the summer be fun for you. Let's
get together, please! Call me! Call me! Call me!
I'll be driven in a week so we must go to
the beach. I love ya Lea.

Love always

IT'S A TAKE

I used to want to be perfect
But after I've seen what a
Perfect person is like, I've
Changed my mind because a person that's perfect has no
Surprises, no suspense, but
Most of all, no personality.

"You little gamete" It was Fun having you in two of my classes we've just had a "marry" time! It's too bad we didn't dissect a juicy piglet together. ¹ it would of been so much Fun to probe into the inter region of little pig guts!! I hope we have a lot of classes together next year because having a class with you is like having sex with a Zygote! I hope you and Steve have a good summer together and being a lot because being is so much Fun when you're with the opposite sex. Last night was pretty funny when me and Chuck came to your house Not Finished And we sat on your porch in blankets me and Chuck

we were acting pretty gay last night + ~~me~~ we were just in a good mood Insure I gotta go. Your Loving Friend, Randy
